Scholarships for international PhD students who are in the concluding stage of their doctorate

11.02.2019

Dear PhD students,

- Are you doing a PhD at the University of Bamberg?
- Are you currently in the concluding stage of your doctorate and will you presumably finish your PhD thesis by 31st December 2019?
- Are you a non-German national?
- Do you not receive a scholarship at the moment and are you currently not employed, e.g. at the University of Bamberg as a research assistant?

If you have answered all above questions with „yes", you are eligible to apply for a special scholarship for the concluding stage of your PhD.

These scholarships are financed by the DAAD STIBET-Doktorandenprogram. The monthly rate of a full scholarship is **750 Euro** and can be awarded for a maximum duration of **4 months**. Recipients will be selected by a cross-faculty committee summoned by the International Office.

You will find an application checklist below. The application deadline is **15th March 2019**. Please send your complete application documents either by postal mail to our postal address mentioned on the right or by email as PDF to the following email address: welcome.international@uni-bamberg.de

Please do not hesitate to contact me if you have any further questions.

Best regards,

Alexandra Wolf
