

SALES AND STUDENT RELATIONS INTERNSHIP

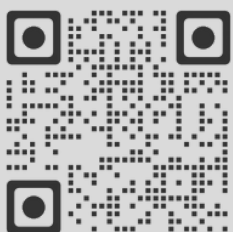

We are looking for an intern in Sales and Student Relations to join our team in Tampere, Finland for 4-6 months, starting Mar/Apr OR Sept/Oct.

Our story began in 2007 when two exchange students from Finland fell in love with studying abroad and wanted to enable life-changing experiences for students across the globe. Their vision was to create a simple and affordable way for international students to study in Asia.

Today, after following our values for over a decade, we came far and enabled students to study abroad in Asia, Europe, and Latin America. To our great delight, over 10.000 students from over 100 countries and six continents have taken up the opportunity so far.

DON'T WAIT AND JOIN US ON OUR JOURNEY!
