

# DGfS-Workshop *Tense across Languages*

February 27<sup>nd</sup>-29<sup>th</sup> 2008, Bamberg University

Organizers: Renate Musan, Monika Rathert and Rolf Thieroff

This workshop deals with the expression of tense from a morphological, a semantic and a syntactic point of view in European and non-European languages, including sign languages. The workshop will concentrate on problems like tense under attitudes and indirect speech, future constructions and the morphology of tenses with special regard to tense or tense-like morphemes other than on the verb.
