to be sent to:

Otto-Friedrich-Universität

Because of a close cooperation between Otto-Friedrich-University and Diakonisches Werk Bamberg-Forchheim e.V. there is a pool of places in nursery school and kindergarten reserved for all employees and students of university.

This application in advance **only serves as an analysis of places needed**. Furthermore employees are not entitled to get a place for their child(ren) as long as the necessary and binding registration by the parents is not made in the institution itself.

The child's admission gets binding not until the contract with Diakonie as private agency is closed.
