

# VINCI'09 - 2009 Visual Information Communications International

24-25 September 2009, Sydney, Australia

## Topics of particular interests:

- \* Aesthetics in visual communication
- \* Cognitive aspects of visual information comprehension
- \* Graph drawing and visualization
- \* Graphical user interface design
- \* Influence of visual arts and design
- \* Information visualization
- \* Software visualization
- \* Usability or empirical study of new visual metaphors
- \* Visual Analytics
- \* Visual approaches to knowledge discovery
- \* Visual communication metaphors
- \* Visual interaction through multi-modality
- \* Visual modeling languages and UML
- \* Visual programming languages
- \* Visualization on mobile devices

## Important Dates:

- \* Submission of papers: **24 April 2009**
- \* Notification of acceptance: **1 June 2009**
- \* Camera-ready papers due: **26 June, 2009**
- \* Symposium dates: **24-25 September 2009**

## Conference Venue:

University of Technology, Sydney, Australia

## Organizing Chairs:

General Chairs:

**Kang Zhang** University of Texas at Dallas, USA  
**Hung Nguyen** University of Technology, Sydney, Australia

Program Chairs:

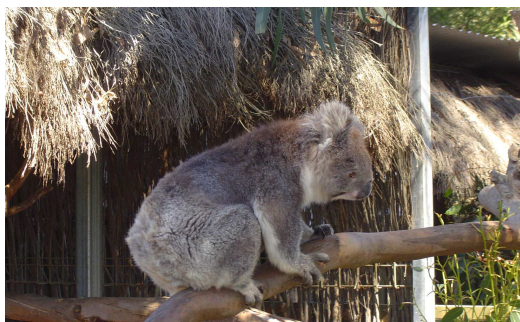

**Mao Lin Huang** University of Technology, Sydney, Australia  
**Quang Vinh Nguyen** University of Western Sydney, Australia

Sponsorship Chair:

**Doan Hoang** University of Technology, Sydney, Australia

Organisation Chair:

**Qiang Wu** University of Technology, Sydney, Australia

## Program Committee:

- |                                   |                                                 |
|-----------------------------------|-------------------------------------------------|
| <b>Anton Bogdanovych</b>          | University Western Sydney, Australia            |
| <b>Paolo Bottoni</b>              | University of Rome "Sapienza", Italy            |
| <b>Robert Biuk-Aghai</b>          | University of Macau, Macau                      |
| <b>Weijia Cai</b>                 | IBM China Research Lab, China                   |
| <b>Shi-Kuo Chang</b>              | University of Pittsburgh, USA                   |
| <b>Wei Chen</b>                   | Zhejiang University, China                      |
| <b>Xiaochun Cao</b>               | Tianjin University, China                       |
| <b>Gennaro Costagliola</b>        | University of Salerno, Italy                    |
| <b>Kendra Cooper</b>              | University of Texas at Dallas, USA              |
| <b>Phil Cox</b>                   | Dalhousie University Canada                     |
| <b>Jing Dong</b>                  | University of Texas at Dallas, USA              |
| <b>Camilla Forsell</b>            | Linkoping University, Sweden                    |
| <b>Paul Fishwick</b>              | University of Florida, USA                      |
| <b>Jeff Gray</b>                  | University of Alabama at Birmingham, USA        |
| <b>John Grundy</b>                | University of Auckland, New Zealand             |
| <b>Pheng-Ann Heng</b>             | Chinese University of Hong Kong                 |
| <b>Masahito Hirakawa</b>          | Shimane U., Japan                               |
| <b>Lichan Hong</b>                | Xerox PARC Research Center, USA                 |
| <b>Xiaodi Huang</b>               | Charles Sturt University, Australia             |
| <b>Jun Kong</b>                   | North Dakota State University, USA              |
| <b>Wei Lai</b>                    | Swinburne University of Technology, Australia   |
| <b>Aidong Lu</b>                  | University of North Carolina, USA               |
| <b>Xiaoxing Ma</b>                | Nanjing University, China                       |
| <b>Francis Marchese</b>           | Pace University, USA                            |
| <b>Kim Marriott</b>               | Monash University, Australia                    |
| <b>Andrew Vande Moere</b>         | The University of Sydney, Australia             |
| <b>Monique Noirhomme-Fraiture</b> | University of Namur, Belgium                    |
| <b>Yoshihiro Okada</b>            | Kyushu University, Japan                        |
| <b>François Poulet</b>            | ISISA-Textmex, France                           |
| <b>Emmanuel Pietriga</b>          | INRIA, France                                   |
| <b>Helen Purchase</b>             | University of Glasgow, UK                       |
| <b>Yu Qian</b>                    | University of Texas Southwestern Medical Center |
| <b>Huamin Qu</b>                  | University of Science & Technology, Hong Kong   |
| <b>Wu Quan</b>                    | The University of Sydney, Australia             |
| <b>Jose Fernando Rodrigues Jr</b> | University of Sao Paulo at Sao Carlos, Brazil   |
| <b>Guanglei Song</b>              | eBay Inc., USA                                  |
| <b>Nenad Stankovic</b>            | Xijiao Liverpool University, China              |
| <b>Zhengxing Sun</b>              | Nanjing University, China                       |
| <b>Shin Takahashi</b>             | University of Tsukuba, Japan                    |
| <b>Masahiro Takatsuka</b>         | The University of Sydney, Australia             |
| <b>Linmi Tao</b>                  | Tsinghua University, China                      |
| <b>John Wang</b>                  | Griffith University, Australia                  |
| <b>Guido Wirtz</b>                | Bamberg University, Germany                     |
| <b>Jing Yang</b>                  | University of North Carolina, USA               |
| <b>Yu-Bin Yang</b>                | Nanjing University, China                       |
| <b>Jiawan Zhang</b>               | Tianjin University, China                       |
| <b>Liang-Feng Zhu</b>             | East China Normal University, China             |
