

FROM THE COURSE PROGRAMME

CONSULTATION MEETINGS

Funding Possibilities for Starter Scholarship Holders

MARION HACKE

Trimberg Research Academy,
University of Bamberg

Place and time:
By appointment
possible consultation dates start from
01 October to 19 October 2018

Room: An der Weberei 5 / 04.112

Registration:
Please send a mail to marion.hacke@uni-bamberg.de to register yourself for an individual consultation.

Description:
This individual meeting with Marion Hacke is highly recommended for PhD students in their first year and especially for regular members that are holding a Starter Scholarship.

The meeting covers every step of fundraising, starting from initial consideration of possible scholarship bodies, an overview of the funding landscape, how to approach funders to the actual funding application. You also have the possibility to send Marion Hacke a first application plan, ideas and questions before the meeting in order to make your consultation more productive!

BAGSS MONTHLY

Antidiscrimination Law and Social Dynamics in Working Environments

DAVID URSCHLER

Friedrich-Schiller-University Jena

Place and time:
Mini-Workshop
Thursday, 25 October 2018:
12:00 – 17:00

Room: FG1/00.08

Registration:
Replaces the BAGSS monthly and is considered to be mandatory for all regular members as well as for the GLOMO candidates.

Description:
Not only do we want to maintain a pleasant working atmosphere, we would also like to prepare you for your future in academic jobs, the private or public sector. Dr. Urschlers will talk to, and with us about important topics such as the social dynamics in working environments. This includes definitions of mobbing, sexual harassment and discrimination. How could we recognize such behavior? How could it be prevented? And how should one deal with it once a problem arises?

The second part of the workshop focuses on antidiscrimination regulation within the university (code of conduct) as well as national and EU-level laws.

BAGSS MONTHLY

The Consequences of Student Loan Debt on Later Life Transitions

ANNA MANZONI

NC STATE University

Place and time:

Wednesday, 07 November 2018:
18:00 – 19:00

Room: FG1/00.08

Registration:
The BAGSS monthly colloquium is a mandatory event for all doctoral students.

Description:
Student loan debt has increased dramatically in recent decades. Large debt burdens create new challenges as young adult college graduates leave the university and juggle financial responsibilities, family formation plans, and living situations. Using Baccalaureate and Beyond Longitudinal Study (B&B) data, we analyze the stratification of debt across individual and degree characteristics.

Furthermore, we investigate this association with later transitions: marriage, childbearing, and homeownership. Our findings highlight how student loan debt may contribute to delayed life transitions and the reproduction of inequalities.

WORKSHOP

Time Management in Academia

ANNA ROYON-WEIGELT

Place and time:
Blocked course
Monday, 10 December 2018:
09:00 – 17:00 (s.t.)
Tuesday, 11 December 2018:
09:00 – 17:00 (s.t.)

Room: FG1/00.06

Registration:
The number of participants is limited to 16!
Please send a mail to courses.bagss@uni-bamberg.de until
Monday, 15 October, to register.

Description:
Teaching, part time work, professional development, private arrangements and not least the thesis: Time pressure results in many things only being half done. In the end there is not enough time for the important tasks and you are left with the uncomfortable feeling of again not having managed everything.

During the workshop the participants learn the fundamentals of time management such as setting goals and priorities, efficiency versus effectiveness, important or urgent (Eisenhower diagram), structuring your time, disturbances & time-wasters and strategies to deal with the unplannable.

WORKSHOP

Competent at Conferences

BARTLETT WARREN-KRETZSCHMAR

Place and time:
Blocked course
Monday, 03 December 2018:
09:00 – 17:00 (s.t.)

Room: LifBi/220

Registration:
The number of participants is limited to 16! Please send a mail to weiterbildung@lifbi.de until Monday, 15 October, to register.

Description:
In this workshop the participants engage with their personal communication strategies. Through exercises and role-plays they familiarise themselves with established presentation techniques and train their communicative competencies.

The workshop contents cover communication and presentation basics, how to deal with difficult situations, role-plays as well as tips & tricks on the art of oratory.

WORKSHOP

Networking for Academics

ANNA ROYON-WEIGELT

Place and time:
Blocked course
Monday, 17 December 2018:
09:00 – 17:00 (s.t.)

Room: FG1/00.06

Registration:
The number of participants is limited to 16!
Please send a mail to courses.bagss@uni-bamberg.de until
Monday, 15 October, to register.

Description:
Networking requires initiative and continued investment. It is helpful, in this context, to be able to rely on proven strategies to eake the right contacts, to communicate in a target focused way and to find the balance between giving and taking.

The workshop transeits these proven networking techniques by dealing with basics of networking, building contacts, dos and don'ts of networking, scaling of importance, benefits versus costs and small talk as icebreaker.

WORKSHOP

STATA I

GUNDULA ZOCH

Leibnitz-Institut für Bildungverläufe (LifBi)

Place and time:
Blocked course
Monday, 12 November 2018:
10:00 – 12:30 / 13:30 – 17:00 (s.t.)
Tuesday, 13 November 2018:
09:00 – 12:00 / 13:00 – 15:00 (s.t.)

Room: LifBi/109A

Registration:
Please send a mail to weiterbildung@lifbi.de until
Monday, 15 October, to register

Description:
The course aims at giving a sound introduction of how Stata can be best used to conduct basic types of statistical analyses. Therefore, the course introduces the typical stages of how to process empirical data analysis, starting with getting the data, rearranging data in the needed formats and applying most frequently used descriptive, bivariate and multivariate analyses.

Thereby, the course introduces the general construction and documentation of Stata code using do-files and do-file documentation.

WORKSHOP

Multiple Imputation with Stata

JAN HEISIG

Wissenschaftszentrum Berlin

Place and time:
Blocked course
Thursday, 24 January 2019:
09:00 - 16:00 (s.t.)
Friday, 25 January 2019:
09:00 - 16:00 (s.t.)

Room: LifBi/109a

Registration:
The number of participants is limited to 20!
Please send a mail to weiterbildung@lifbi.de until
Monday, 15 October, to register

Description:
Missing data are a pervasive problem in the social sciences. This two-day course introduces the method of Multiple Imputation, with a strong emphasis on implementing the approach with the statistics package Stata.

The course will be hands-on, with frequent opportunities to practice the covered material.

WORKSHOP

Postdoc Funding Opportunities II

THOMAS SAALFELD, STEFFEN SCHINDLER,
ULRICH SIEBERER AND ILKA WOLTER

University of Bamberg and LifBi

Place and time:
Blocked course
Thursday, 17 October 2018:
14:00 – 17:30

Room: FG1/00.06

Registration:
Public event, no registration needed. For attending the dinner (on your own expenses), please send a mail to courses.bagss@uni-bamberg.de

Description:
Dos and don'ts in your project application - An intergenerational exchange

This session aims at bringing together senior researchers and advanced PhD fellows or Postdocs at an early stage. Prof. Kleinert, Dr. Wolter, Prof. Sieberer and Prof. Saalfeld will talk about their personal experience getting research funding from various national and international organisations, followed by Q&A.

WORKSHOP

Career Strategies & job applications

Part I: Career stragies accompanying the doctorate: Building potential - tapping professional pathways

ANNA ROYON-WEIGELT

Place and time:
Blocked course
Wednesday, 30 January 2019:
09:00 – 17:00 (s.t.)
Thursday, 31 January 2019:
09:00 – 16:00 (s.t.)

Room: LifBi/113

Registration:
The number of participants is limited to 16! Please send a mail to weiterbildung@lifbi.de until Monday, 15 October, to register.

Description:
The first part of this workshop builds on you personal career strategy by assessing your skills and a biographical reflection. It also shows the possibilities within and outside academia and helps you to clarify your goals.

It further gives you a closer insight into desirable and realistic career pathways, strategies & stumbling block and the challenges of uncertainty.

WORKSHOP

Career Strategies & job applications

Part II: Job application in & outside academia: Understanding standards - developing a personal approach

ANNA ROYON-WEIGELT

Place and time:
Blocked course
Friday, 01 February 2019:
09:00 – 17:00 (s.t.)
Saturday, 02 February 2019:
09:00 – 16:00 (s.t.)

Room: LifBi/113

Registration:
The number of participants is limited to 16! Please send a mail to weiterbildung@lifbi.de until Monday, 15 October, to register.

Description:
The second part of this workshop deals with application process. What does job search actually mean and how to use social media effectively, here?

It further introduces to current application standards, dealing with differences and covers the application process from individual interviews to assessments centres. There will also be a role-play of typical application situations.
