

Roundtable

Bridging AI in Higher Education:

Transferring the German Experience to Egypt

Thursday, 12 November 2025

9.30 a.m. – 11 a.m.

Room: FG1/ 00.06

This interdisciplinary roundtable invites scholars and educators to discuss the impact of integrating artificial intelligence in higher education across Egypt and Germany, with a focus on the University of Bamberg.

The session aims to:

- Discuss transferable pedagogical and institutional models for AI integration.
- Discussing AI adoption readiness in higher education context.
- Share innovative teaching practices and curriculum design strategies.
- Foster sustainable academic partnerships between Deraya and Bamberg University.

Host:

Dr Kareem Ahmed Ragab

Head of the Marketing Department, Deraya University (Egypt)

In cooperation with:

Dr Anh Nguyen

Postdoctoral Researcher, University of Bamberg

**BAMBERG
GRADUATE SCHOOL
OF SOCIAL SCIENCES**
