EDUCATION

Erasmus University Rotterdam

Ph.D. 2 (defended 2018)

Thesis: 'Semantic and syntactic transfer of fitness landscape models to the analysis of collective and public decision-making processes'

Erasmus University Rotterdam

Ph.D. 1 (defended 2008)

Thesis: 'The Gentle Art of Coevolution.'

Erasmus University Rotterdam, department of Public Administration

M.Sc. in Public Administration and Spatial Planning (2002 - 2003)

Thesis: 'Battle of Dreams: the role of visioning in infrastructure planning and administrative inertia'

Erasmus University Rotterdam, department of Public Administration

B.A. in Public Administration (1999 - 2002)

Minor: Sociology

AWARDS

NWO Veni personal research grant for top 10 performers in social sciences in the Netherlands (NL)

January 2011 – January 2015

'**De Arthur**' award for teacher of the year in Public Administration at Erasmus University Rotterdam (NL)

2012

WORKING EXPERIENCE

At Otto-Friedrich University Bamberg (Germany)

Full professor in Political Science (W3)

2014 - present

Chair: Governance of Complex and Innovative Technological Systems

At Erasmus University Rotterdam (the Netherlands)

Associate professor (tenured)

2011 - 2014

Assistant professor (tenure track)

2008 - 2011

Research assistant to various professors

2000 - 2003

At TNO Built Environment and Geosciences (Netherlands Organization for Applied Scientific Research)

Researcher and advisor

2003 - 2007

CURRENT TEACHING

Governance in the Digital Age

as of 2019

Master seminar

Qualitative Research Methods

as of 2019

Master seminar

Tools for the Analysis of Complex Social Systems

2017 - present

ECPR Winter School for Research Methods

Confronting the Urban Crisis: introduction to urban planning

2014 - present

Master seminar

Governance of Complex Technological Systems

2014 - present

Lecture series

Social-Technological Evolution

2015 - present

Master seminar

Theories of Complex Systems

2014 - present

Master seminar (advanced)

Supervision for bachelor and master students

2006 - present

CONFERENCES ORGANIZED

AESOP Planning and Complexity	2016
Hosted and organized the 14 th AESOP workgroup conference about spatial planning and complexity	
COMPACT II (Los Angeles)	2013
Co-organized a conference about the complexity sciences and public policy	
COMPACT I (Rotterdam)	2011
Initiated, hosted and organized a conference about the complexity sciences and public policy	
Lof der Verwarring	2005
Initiated, hosted and organized a (Dutch) conference about the complexity sciences	

ADMINISTRATIVE POSITIONS AND REVIEW BOARDS

Spokesperson for the department of Political Science at the Otto-Friedrich University (current)
 Member local organizing committee ECPR Winter School for Research Methods (current)
 Executive member of the Bachelor board at the Erasmus University Rotterdam (until 2011)
 Master coordinator for the M.Sc. program Governance & Management of Complex Systems at the EUR (until 2011)
 Regular reviewer for the Netherlands Organisation for Scientific Research (i.a. the NGI program; Stevin Prize committee)

JOURNALS

Editor-in-chief and founding member of 'Complexity, Governance and Networks'
 Editor for the 'International Journal of Social Research Methodology'
 Regular reviewer for journals in the realm of research methods, complexity sciences, public policy, urban and spatial planning

VISITING POSITIONS

Thailand Development and Research Institute (2014)
 Arizona State University, School of Public Affairs (2012)
