

**Prof. Dr. Lasse Gerrits**

Chair for the Governance of Complex  
and Innovative Technological Systems  
Feldkirchenstraße 21, room F21/03.71  
96045 Bamberg  
Phone: 0951/863-2737  
Email: lasse.gerrits@uni-bamberg.de

The Chair for the Governance of Innovative and Complex Technological Systems at the Otto-Friedrich-University Bamberg (Germany) is currently seeking a

### **Akademischer Rat / Research Assistant (full-time; A 13).**

The position is intended to be filled as of August 2018 for an initial duration of 3 years and a possible extension for another 3 years.

#### Job description:

- Teaching within the education program of the chair (5 SWS)
- Independent research work, i.e. data collection, evaluation, \analysis, and publication of research results
- Assist in the developing research project proposals
- Assisting in the development of a regional knowledge network related to the chair

#### Your profile:

- A completed PhD degree in Political Science, Sociology, Public Administration or a related field fitting to the profile of the Chair (see below)
- Excellent command of German and English (spoken and written)
- Communication and entrepreneurial skills
- Teaching experience considered an advantage

#### Profile of the Chair

The focus of the Chair is at the cross-roads of technology, policy and politics. Our research interests include the development and the governance of infrastructure projects, operation of technical systems, the application of information- and communication technology concerning politics, public-private partnerships, and urban and spatial planning.

We are looking for someone who has affinity with (one of) these topics. We offer the opportunity to specialize in these topics and to cooperate with us in creating sustained research positions.

Initially, the position will last for 3 years, from August 2018 onwards.

**Prof. Dr. Lasse Gerrits**
