Privacy Statement

During the duration of the funding, our primary mode of communication with you will be through e-mail. We would like to maintain contact with you beyond the scholarship period, for example, for evaluation purposes. Therefore, we kindly request your permission to continue using your e-mail address even after the conclusion of the scholarship.

By signing below, you also confirm that we may contact you via your e-mail address during the scholarship period.

If your application is not considered, your data will be deleted 6 months after the submission of the application.

According to the DGSVO (Datenschutz-Grundverordnung), you have the right to withdraw this consent at any time.
