phone country code, area code, number

(4) Graduate degree

Date of issue
(degree certificate)

title of the degree

university

country

(5) Supervisor

name

subject

faculty

humanities

human sciences and education

signature of supervisor _____

(6) Certification from the Academic Foreign Office (*Akademisches Auslandsamt*)

Before I file this application, I have consulted the Academic Foreign Office of the University of Bamberg in order to apply for an admission to a doctoral program. My diplomas have been checked for equivalence to German graduate degrees and my command of the German language has been examined. I am aware of the fact that I cannot file an application for nostrification to the Doctoral Candidate Admissions Board without these prerequisites. I have enclosed all certification testimonialised by the Academic Foreign Office to my application.

The application for admission to doctoral studies has been allowed by the Academic Foreign Office.

yes no

My command of the German language was examined and has been confirmed to be sufficient.

yes no

The Academic Foreign Office checked my diplomas and has stated their equivalence to German graduate degrees.

yes no yes, but on condition

Enclosures:

- a) Admission to the doctoral program, stated by the Academic Foreign Office or Nostrification by the Academic Foreign Office including confirmation of sufficient command of the German language
- b) An officially certified copy of the foreign degree certificate
- c) Curriculum vitae with details of education (schools, courses of study, etc.)

If the documents stated in b) are not in English, French or German, a translation by an officially certified translator is required in addition.
