In accordance with my supervisor I choose the **Disputation** gem. § 12 PromO as my oral exam.

The examiners I have requested are listed below. I have spoken to each of them individually and inquired about their willingness to write the expert opinion on the dissertation and/or to participate as a member of the examination committee at a time to be proposed by me to the doctoral office in agreement with the examiners. I declare that I have fulfilled all the conditions imposed on me on admission to the doctorate. The dissertation will be submitted in agreement with the supervisor to whom the final version was submitted. The composition of the examination committee chosen by me corresponds to § 10. (1)<sup>1</sup>

### **Components of PhD submission**

The following list contains all the documents submitted as part of my dissertation (including digital data sets, if available). This data will be made publicly available in the publication process.

---

<sup>1</sup> The different subject groups can be found in Appendix 1. If possible, the four examiners should belong to three different subject groups, but in any case either the first additional examiner or the second additional examiner must not belong to the same group as the supervisor. The chairperson of the examination committee is appointed by the chairperson of the doctoral committee. However, a proposal may be made.

<sup>1</sup> One of the two additional examiners must belong to a different subject group than the supervisor in accordance with § 10 Para. 1 No. 3. This ensures that at least one other subject area related to the doctoral subject is examined in the disputation (cf. § 12 para. 2). The list of subjects can be found at: <https://www.uni-bamberg.de/fileadmin/abt-studium/Pruefungs-Studienordnungen/Promotionsordnungen/GuK/PromOGukHuwi9.pdf> Appendix 1.

### **Declaration and further information according to § 9 (2) and (3) PromO**

- I declare that I have prepared the submitted dissertation independently, have not used any aids other than those listed in the list of sources and references, have identified all passages taken from sources and literature, including the Internet, either literally or analogously, and have also individually referenced the sources.
- I confirm that the dissertation or significant parts of it have not already been submitted to another examination authority.
- I declare that I have not already obtained or attempted to obtain a doctoral degree at another university. (The word “not” can also be deleted. In this case, a separate declaration must be enclosed).

### **Optional**

In consultation with the two reviewers, I agree that the following information about me and my dissertation may be passed on for scientific purposes: Name of the author, title, year, name of the supervisor, name of the 2nd reviewer, subject.

### **Optional**

I am currently employed at the University of Bamberg as

I agree to the forwarding of my personal data to the university administration for the purpose of personnel processing.

### **Declaration of consent for electronic access as part of the doctoral procedure**

I agree that my dissertation and my reports may be made available online for inspection by the authorized inspectors during the display period. The authorized inspectors are obliged to use the material (in accordance with the doctoral regulations exclusively for the intended purpose, personally and confidentially) and to respect data protection and copyright.

The declaration of consent is voluntary and can be revoked at any time.

You will not suffer any disadvantages if you refuse to give your consent.

The declaration of revocation should be addressed to the Chair of the Doctoral Committee. The legality of the data processing carried out on the basis of the consent until the revocation is not affected by the revocation.
