Position Paper

Position papers are quintessential to a delegate's preparation for any Model UN. Thus, we require every delegate to submit a position paper for BaMUN.

Each topic in your position paper should include

- a) An introductory description of the overall issue as well as the challenges of a topic
- b) Measures that have already been taken by your country to solve the problem
- c) Recommendations for action plans that your country would like to implement within a resolution by the committee

Please submit your position paper via e-mail to nmun@uni-bamberg.de by no later than November 25, 2018 at 6pm. We recommend using the following layout:

- DIN A4
- 2.5cm margins left and right
- Arial sized between 10pt
- a maximum of 1 one-sided page
- Each agenda topic introduced with its own heading

In addition to that, please make sure that your name and the member state you are representing is clearly labeled in the heading of the position paper.
