

Modification of the Frequency of BFC-M-04: Research Issues in Banking and Financial Control and the Possibility of Credit Transfer of BFC-M-08: Financial Engineering in Winter Term 2020/2021

As of now, the research seminar „BFC-M-04: Research Issues in Banking and Financial Control“ will be offered in summer term only.

For students who would like to take BFC-M-04 in winter term 2020/2021 there is a possibility to receive credit for the module „BFC-M-08: Financial Engineering“. A credit is only possible if BFC-M-08 has not been taken in the past and has not been integrated elsewhere in the course of studies.

Further information on the organizational requirements for receiving credit will be given during the introductory course of BFC-M-08 at the beginning of the lecture period of winter term 2020/2021 (the date will be announced in time via UnivIS)
