### **Placement Test**

Students will be admitted to their courses upon completion of a placement test before the beginning of the semester. The questions slowly become harder in the later parts of the test. There are a total of 90 questions in the test. The time limit for the placement test is 60 minutes but students can submit the test earlier if they have finished. Students can return to any part of the test to check their answers at any point before they submit their test.

### **Test Results**

No certificate will be issued for the completion of a placement test, nor can the test be “passed” or “failed”; it is purely for diagnostic purposes.

The test results will be posted on the following day on the Language Center website with a score out of 100 and the CEFR level (B1, B2 etc.) you should select for your course(s). If you have taken a course in general English, you do not have to take a placement test again.

If you have taken the Anglistik Einstufungstest, you do not have to take this placement test.

Results of the test are valid for four semesters.

**The tests will be held on:**

- 1) Friday 11 October 2019: 10-12, WE5/01.004
- 2) Monday, 14 October 2019: 16-18, WE5/00.043
- 3) Thursday, 17 October 2019: 16-18, WE5/04.014
- 4) Friday, 18 October 2019: 10-12, WE5/01.004
