- University of Chicago, Chicago / US (following an invitation by Prof. James J. Heckman), July 2008 (one week).
- Deutsches Institut für Wirtschaftsforschung (DIW), Berlin / Germany, March 2006 (two weeks).

Teaching Experience

Since 1998, I have taught various courses (lectures and seminar courses) at the University of Bamberg, the University of Erlangen-Nuremberg, the University of Munich, and at the IAB, at undergraduate, graduate, and post-graduate level, mainly covering issues in Labor Economics, Economics of Education, Microeconomics, and (Micro-)Econometrics. More recently, I started to teach courses covering topics in Economic and Social Inequality as well as covering issues at the intersection of Personality Psychology and Economics.

Since the winter term 2011, I have supervised more than 80 bachelor's theses, more than 40 master's theses, 9 PhD theses as second supervisor, and 8 PhD theses as main supervisor.

Research Interests

Economics of Education, Labor Economics, Personality Psychology and Economics, Population and Health Economics, Economics of Religion

Publications – Refereed Journals
